DINING

We appreciate every moment is special, and that food can make or break an experience. That's why we've made food a key pillar of every Rascal voyage.

Our philosophy is based on simplicity. Simple, yet delectable. Fresh produce, dishes packed with flavour. International cuisine with a local twist.

Whether you're enjoying a cheeseburger with an ice cold beer and your toes in the sand; or savouring a perfectly grilled snapper with a crisp glass of white wine, we make sure it is delivered to Rascal perfection.

GETTING HERE

All voyages in Raja Ampat start and end in the port of Sorong which is on the island of Papua.

There are multiple daily flights from Jakarta and Bali to Sorong airport.
